PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Telkonet, Inc. for use at Telkonet's 2003 Annual Meeting of Stockholders, to be held at the Radisson Hotel, 511 Lexington Avenue, New York, New York, Dynasty Restaurant, 2nd Floor, on Friday, September 4, 2003 at 5:00 p.m. local time, and at any adjournment or postponement of the annual meeting. This proxy statement, the accompanying proxy card and Telkonet's Annual Report to Stockholders for the fiscal year ended December 31, 2002 are first being sent to stockholders on or about August 5, 2003.

The solicitation of proxies is made by and on behalf of Telkonet's Board of Directors. The cost of the solicitation of proxies will be borne by Telkonet. In addition to solicitation of proxies by mail, employees of Telkonet or its affiliates may solicit proxies by telephone or facsimile.

The Board of Directors has fixed the close of business on June 30, 2003 as the record date for determining the holders of shares of common stock who are

entitled to notice of, and to vote at, the annual meeting. At the close of business on June 30, 2003, Telkonet had outstanding 15,977,795 shares of common stock, par value \$0.001 per share. Each stockholder is entitled to one vote per share of Telkonet's common stock registered in such stockholder's name on Telkonet's books as of the close of business on July 30, 2003.

Shares of common stock represented by properly executed proxies received at or prior to the annual meeting that have not been revoked will be voted at the annual meeting in accordance with the instructions indicated on the proxies. Stockholders are requested to complete, sign, date and promptly return the enclosed proxy card in the enclosed postage-prepaid envelope to ensure that their shares are voted. If the enclosed proxy is signed and returned, the shares represented thereby will be voted in accordance with any specification made therein by the stockholder. In the absence of any such specification, the shares will be voted to elect each of the director nominees set forth under "Election of Directors" below, for each proposal set forth under "Ratification of Options Granted Under the Telkonet, Inc. Stock Incentive Plan" and "Ratification of Appointment of Independent Public Accountants," and in the discretion of management on any other matter which may properly come before the annual meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Attendance at the annual meeting will not, in and of itself, revoke a proxy. Proxies may be revoked by:

- o Filing with the Secretary of Telkonet, at or before the taking of the vote at the annual meeting, a written notice of revocation dated later than the proxy;
- o Executing a later dated proxy relating to the same shares of common stock and delivering it to the Secretary of Telkonet, including by facsimile, before the taking of the vote at the annual meeting; or
- o Attending the annual meeting and voting in person.

2

Any written revocation or subsequent proxy should be sent so as to be delivered to Telkonet, Inc., 902-A Commerce Road, Annapolis, Maryland 21401, Attention: Corporate Secretary, or hand delivered to the Secretary of Telkonet or his representative at or before the taking of the vote at the annual meeting.

If the annual meeting is postponed or adjourned, proxies given pursuant to this solicitation will be utilized at any subsequent reconvening of the annual meeting, except for any proxies that previously have been revoked or withdrawn effectively, and notwithstanding that proxies may have been effectively voted on the same or any other matter previously.

Telkonet's bylaws provide that the holders of a majority of the outstanding Telkonet shares, present in person or by proxy, will constitute a quorum, and that the affirmative vote of a majority of the shares represented at the annual meeting and constituting a quorum is required for approval of any proposal brought before the annual meeting, unless a greater proportion or number of votes is required by law or by Telkonet's certificate of incorporation or bylaws. The election of directors will require the affirmative vote of a majority of the shares present at the annual meeting and constituting a quorum. Abstentions and broker non-votes will be deemed present for purposes of constituting a quorum and will have the same legal effect as a vote "against" each nominee for the Board of Directors and all proposals presented at the annual meeting.

#### ITEM 1. ELECTION OF DIRECTORS

Telkonet's bylaws establish the number of directors at not less than three members. Pursuant to the bylaws, the Board of Directors may increase or decrease the number of members of the Board of Directors. The Board of Directors has established the number of directors at five. At the annual meeting, the shares represented by properly executed proxies, unless otherwise specified, will be voted for the election of the five nominees named herein, each to serve until the next annual meeting and until his successor is duly elected and qualified.

If for any reason any of the nominees is not a candidate when the election occurs (which is not expected), the Board of Directors expects that proxies will be voted for the election of a substitute nominee designated by the Board of Directors. The following information is furnished concerning each nominee for election as a director.

THE BOARD OF DIRECTORS RECOMMENDS THAT  
STOCKHOLDERS VOTE FOR THE ELECTION OF EACH NOMINEE.

#### COMPENSATION PLANS

Telkonet maintains and administers the Telkonet, Inc. Stock Incentive Plan to advance the interests of Telkonet by encouraging and enabling acquisition of a financial interest in Telkonet by its officers, directors, consultants and key personnel. The Stock Incentive Plan is intended to aid Telkonet in attracting and retaining key employees, to stimulate the efforts of such personnel and to strengthen their desire to remain with Telkonet. The Stock Incentive Plan was adopted by the Board of Directors on April 24, 2002 and approved by Telkonet's stockholders in July 2002 at the annual meeting of stockholders. The Stock Incentive Plan was amended by the Board of Directors on June 23, 2003 to increase the number of shares of Telkonet common stock subject to the Stock Incentive Plan from 7,000,000 to 15,000,000 shares. Shares of the common stock subject to purchase pursuant to exercise of the options granted under this plan were registered on a Form S-8 Registration Statement Under The Securities Act of 1933 filed with the Securities and Exchange Commission on October 16, 2000 and amended on April 17, 2002. The material terms of this plan are summarized below.

The Stock Incentive Plan may be administered by the Board of Directors or a committee designated by the Board of Directors which, if designated, would have full power and authority to determine when and to whom awards will be granted and the type, amount, form of payment and other terms and conditions of

each award, consistent with the provisions of the Stock Incentive Plan. Subject to the provisions of the Stock Incentive Plan, the Board of Directors may amend the terms and conditions of an outstanding award, with the consent of the optionee. The Board of Directors has full authority to interpret the Stock Incentive Plan and establish, amend or rescind rules and regulations for the administration of the Stock Incentive Plan.

10

Any employee, officer, consultant, or director of Telkonet and its subsidiaries is eligible to receive awards under the Stock Incentive Plan.

The Stock Incentive Plan provides for the issuance of up to 15,000,000 shares of Telkonet common stock, subject to adjustment in the event of stock dividends, recapitalization, stock splits, reorganizations, mergers, consolidations or other similar changes in the corporate or capital structure of Telkonet. If an option issued under the Stock Incentive Plan expires, or for any reason is terminated or unexercised with respect to any shares of Telkonet common stock, such shares shall again be available for issuance of options under the Stock Incentive Plan. The shares of common stock issued under the Stock Incentive Plan will be authorized but unissued shares or issued shares that have been reacquired by Telkonet.

The types of awards that may be granted under the Stock Incentive Plan are stock options, restricted stock and stock appreciation rights. Options granted pursuant to the Stock Incentive Plan will not be transferable without the approval of the Board of Directors, other than by will or by the laws of descent and distribution. During the lifetime of a participant, an award may be exercised only by the participant to whom such award is granted.

Non-qualified options may be granted under the Stock Incentive Plan. The Board of Directors will determine the exercise price of any option granted under the Stock Incentive Plan. Stock options will be exercisable at such times as the Board of Directors determines. Stock options may be exercised in whole or in part by payment in full of the exercise price in cash or, at the Board of Directors' discretion, (i) by delivery of shares of Telkonet common stock having a fair market value on the date of exercise equal to the exercise price; (ii) by withholding from the option shares of Telkonet common stock in satisfaction of all or part of the exercise price; (iii) by delivery of the optionee's full recourse promissory note in the amount of the exercise price; or (iv) by delivery of irrevocable instructions to a broker to deliver promptly to Telkonet, from the sale or loan proceeds with respect to the sale of Telkonet common stock or a loan secured by Telkonet common stock, the amount necessary to pay the exercise price.

Unless earlier discontinued or terminated by the Board of Directors, no awards may be granted under the Stock Incentive Plan after September 14, 2010. The Board of Directors has also received the written disclosures and the letter from Telkonet's independent accountants required by Independent Standards Board Standard No. 1 and has discussed with the independent accountants the independent accountant's independence. Based upon its review of the foregoing materials and its

Based solely on review of the copies of such reports furnished to Telkonet or written representations that no other reports were required, Telkonet believes that, during 2002, its executive officers, directors and greater than 10.0% beneficial owners complied with all applicable Section 16(a) reporting requirements.

#### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

##### STOCK REPURCHASES

On January 12, 2002, the Board of Directors approved a plan authorizing the repurchase of certain shares of, and options to purchase, Telkonet common stock owned by Messrs. Grimes, Larson and Sadle. Each of Messrs. Grimes, Larson and Sadle, at the time of the stock repurchase, owned in excess of five percent of the issued and outstanding shares of Telkonet common stock. and were directors and executive officers of Telkonet.

As part of the stock repurchase, Mr. Grimes surrendered 3,721,918 shares of Telkonet common stock and options to purchase 160,000 shares of Telkonet common stock owned by him. In consideration of the surrender of these shares and options, Telkonet retained Mr. Grimes as a consultant for a period of three years and issued to Mr. Grimes fully vested options to purchase 1,000,000 shares of Telkonet common stock at fair market value on the date of exercise, but not less than \$1.00 per share. In addition, Mr. Grimes agreed that certain shares of Telkonet common stock owned by him would be subject to a 36-month

lock-up agreement under which 50,000 shares would be released on each of December 1, 2002 and December 1, 2003 and the remaining shares would be released on January 1, 2005. On April 24, 2002, the terms of Mr. Grimes' lock-up agreement were amended to permit the immediate release of 139,280 shares of Telkonet common stock, the release of 50,000 shares of Telkonet common stock on December 1, 2002, the release of 50,000 shares of Telkonet common stock on December 1, 2003 and the release of the remaining Telkonet common stock on January 1, 2005. The revised lock-up agreement also provided for the release of common stock in proportion to the number of options to purchase Telkonet common stock exercised by Mr. Grimes from time to time during the term of the lock-up agreement. As of December 31, 2002, Mr. Grimes had exercised all of the options issued to Mr. Grimes in the repurchase. Consequently, all of the shares subject to Mr. Grimes' revised lock-up agreement were released as of December 31, 2002. Notwithstanding the release of Mr. Grimes' shares of common stock pursuant to the terms of the lock-up agreement, since Mr. Grimes is an "affiliate" of the Company within the meaning of Rule 144 promulgated under the Securities Act of 1933, his shares will be subject to certain restrictions on transfer pursuant to Rule 144(e)(1).

Mr. Larson surrendered 705,000 shares of Telkonet common stock and options to purchase 200,000 shares of Telkonet common stock owned by him. In consideration of the surrender of these shares and options, Telkonet retained Mr. Larson as a consultant for a period of three years and issued to Mr. Larson fully vested options to purchase 1,000,000 shares of Telkonet common stock at fair market value on the date of exercise, but not less than \$1.00 per share. In addition, Mr. Larson agreed that certain shares of Telkonet common stock owned by him would be subject to a 36-month lock-up agreement under which 50,000 shares would be released on each of December 1, 2002 and December 1, 2003 and the remaining shares would be released on January 1, 2005. On April 24, 2002, the terms of Mr. Larson's lock-up agreement were amended to permit the immediate release of 139,280 shares of Telkonet common stock, the release of 50,000 shares of Telkonet common stock on December 1, 2002, the release of 50,000 shares of

Telkonet common stock on December 1, 2003 and the release of the remaining Telkonet common stock on January 1, 2005. The revised lock-up agreement also provides for the release of common stock in proportion to the number of options to purchase Telkonet common stock exercised by Mr. Larson from time to time during the term of the lock-up agreement.

Mr. Sadle surrendered 2,147,694 shares of Telkonet common stock and options to purchase 200,000 shares of Telkonet common stock owned by him. In consideration of the surrender of these shares and options, the Board of Directors granted Mr. Sadle options to purchase 1,000,000 shares of Telkonet common stock at fair market value on the date of exercise, but not less than \$1.00 per share. In addition, Mr. Sadle agreed that certain shares of Telkonet common stock owned by him would be subject to a 36-month lock-up agreement under which 50,000 shares would be released on each of December 1, 2002 and December 1, 2003 and the remaining shares would be released on January 1, 2005. On April 24, 2002, the terms of Mr. Sadle's lock-up agreement were amended to permit the immediate release of 139,280 shares of Telkonet common stock, the release of 50,000 shares of Telkonet common stock on December 1, 2002, the release of 50,000 shares of Telkonet common stock on December 1, 2003 and the release of the remaining Telkonet common stock on January 1, 2005. The revised lock-up agreement also provides for the release of common stock in proportion to the number of options to purchase Telkonet common stock exercised by Mr. Sadle from time to time during the term of the lock-up agreement. As of December 31, 2002, Mr. Sadle had exercised all of the options issued to Mr. Sadle in the repurchase. Consequently, all of the shares subject to Mr. Sadle's revised lock-up agreement were released as of December 31, 2002.

Mr. Sadle's employment agreement was also amended to include a provision by which Mr. Sadle would be required to forfeit shares of Telkonet common stock owned by him, up to an aggregate of 1,500,000 shares of common stock, in the event he voluntarily terminated his employment prior to the end of

14

its 36-month term. Pursuant to the amended employment agreement, Mr. Sadle was required to forfeit 40,000 shares for each month following the month in which he resigned until the expiration of the amended employment agreement. The amended employment agreement also extended the term of Mr. Sadle's employment until December 31, 2004. On January 30, 2003, the Board of Directors approved an amendment to Mr. Sadle's employment agreement that permits the release of the 1,500,000 shares of common stock subject to forfeiture upon Mr. Sadle's resignation in proportion to the number of options to purchase Telkonet common stock exercised by Mr. Sadle from time to time during the term of the employment agreement. As of December 31, 2002, Mr. Sadle had exercised all of the options issued to Mr. Sadle in the repurchase. Consequently, all of the shares subject to forfeiture pursuant to Mr. Sadle's revised employment agreement were released from such forfeiture restriction as of January 30, 2003. Notwithstanding the release of Mr. Sadle's shares of common stock pursuant to the terms of the lock-up agreement and the amended employment agreement, since Mr. Sadle is an "affiliate" of the Company within the meaning of Rule 144, his shares will be subject to certain restrictions on transfer pursuant to Rule 144(e)(1).
