PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Telkonet, Inc. for use at Telkonet's 2005 Annual Meeting of Stockholders, to be held at The Hampton Inn Germantown, located at 20260 Goldenrod Lane, Germantown, Maryland 20876, on Friday, December 9, 2005, at 3:00 p.m., local time, and at any adjournment or postponement of the annual meeting. This proxy statement, the accompanying proxy card and Telkonet's Annual Report to Stockholders for the fiscal year ended December 31, 2004 are first being sent to stockholders on or about November 7, 2005.

The solicitation of proxies is made by and on behalf of Telkonet's Board of Directors. The cost of the solicitation of proxies will be borne by Telkonet. In addition to solicitation of proxies by mail, employees of Telkonet or its affiliates may solicit proxies by telephone or facsimile.

The Board of Directors has fixed the close of business on October 17, 2005 as the record date for determining the holders of shares of common stock who are entitled to notice of, and to vote at, the annual meeting. At the close of business on October 17, 2005, Telkonet had outstanding 44,893,908 shares of common stock, par value \$0.001 per share. Each stockholder is entitled to one vote per share of Telkonet's common stock registered in such stockholder's name on Telkonet's books as of the close of business on October 17, 2005.

Shares of common stock represented by properly executed proxies received at or prior to the annual meeting that have not been revoked will be voted at the annual meeting in accordance with the instructions indicated on the proxies. Stockholders are requested to complete, sign, date and promptly return the enclosed proxy card in the enclosed postage-prepaid envelope to ensure that their shares are voted. If the enclosed proxy is signed and returned, the shares represented thereby will be voted in accordance with any specification made therein by the stockholder. In the absence of any such specification, the shares will be voted to elect each of the director nominees set forth under "Election of Directors" below and for the proposal set forth under "Ratification of Appointment of Independent Public Accountants," and in the discretion of management on any other matter which may properly come before the annual meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Attendance at the annual meeting will not, in and of itself, revoke a proxy. Proxies may be revoked by:

- Filing with the Secretary of Telkonet, at or before the taking of the vote at the annual meeting, a written notice of revocation dated later than the proxy;
- Executing a later dated proxy relating to the same shares of common stock and delivering it to the Secretary of Telkonet, including by facsimile, before the taking of the vote at the annual meeting; or
- Attending the annual meeting and voting in person.

Any written revocation or subsequent proxy should be sent so as to be delivered to Telkonet, Inc., 20374 Seneca Meadows Parkway, Germantown, Maryland 20876, Attention: Corporate Secretary, or hand delivered to the Secretary of Telkonet or his representative at or before the taking of the vote at the annual meeting.

If the annual meeting is postponed or adjourned, proxies given pursuant to this solicitation will be utilized at any subsequent reconvening of the annual meeting, except for any proxies that previously have been revoked or withdrawn effectively, and notwithstanding that proxies may have been effectively voted on the same or any other matter previously.

Telkonet's bylaws provide that the holders of a majority of the outstanding Telkonet shares, present in person or by proxy, will constitute a quorum, and that the affirmative vote of a majority of the shares represented at the annual meeting and constituting a quorum is required for approval of any proposal brought before the annual meeting, unless a greater proportion or number of votes is required by law or by Telkonet's certificate of incorporation or bylaws. The election of directors will require the affirmative vote of a majority of the shares present at the annual meeting and constituting a quorum. Abstentions and broker non-votes will be deemed present for purposes of constituting a quorum and will have the same legal effect as a vote "against" each nominee for the Board of Directors and all proposals presented at the annual meeting.

ITEM 1. ELECTION OF DIRECTORS

Telkonet's bylaws establish the number of directors at not less than three members. Pursuant to the bylaws, the Board of Directors may increase or decrease the number of members of the Board of Directors. The Board of Directors has established the number of directors at seven. Following the recent death of one of its directors, David Grimes, the Board of Directors appointed Seth Blumenfeld to serve the remainder of Mr. Grimes' term and Mr. Blumenfeld is also a nominee for director at the annual meeting. At the annual meeting, the shares represented by properly executed proxies, unless otherwise specified, will be voted for the election of the seven nominees named herein, each to serve until the next annual meeting and until his successor is duly elected and qualified. Proxies cannot be voted for more than seven nominees.

If for any reason any of the nominees is not a candidate when the election occurs (which is not expected), the Board of Directors expects that proxies will be voted for the election of a substitute nominee designated by the Board of Directors. The following information is furnished concerning each nominee for election as a director.

The affirmative vote of a majority of the shares of Telkonet's common stock represented at the annual meeting, either in person or by proxy, is required to elect the following nominees as Telkonet directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT
STOCKHOLDERS VOTE **FOR** THE ELECTION OF EACH NOMINEE.

Meetings Of The Board Of Directors

The Board of Directors held four meetings in 2004, which each member of the Board of Directors attended, and each member of the Board of Directors attended at least 75 percent of the meetings of the Board of Directors and the committees of which he was a member. Telkonet has not established a formal policy requiring director attendance at all Board meetings, but the Company expects each director to attend such meetings, absent unusual circumstances. Telkonet expects its directors to attend the Annual Meeting of Stockholders (which is usually held the same day as a meeting of the Board of Directors), and all of the Telkonet's directors attended the 2004 Annual Meeting of Stockholders.

Code Of Ethics

The Board has approved, and Telkonet has adopted, a Code of Ethics that applies to all directors, officers and employees of Telkonet. This Code of Ethics was included as an Exhibit to Telkonet's Form 10-KSB filed with the Securities and Exchange Commission on March 30, 2004.

Independent Directors

The Board has determined that Dr. Hall and each of Messrs. Lynch, Musser and Peeler are "independent directors" within the meaning of the American Stock Exchange ("AMEX") listing standards.

Committees Of The Board Of Directors

The Board has an Audit Committee and a Compensation Committee, but the Board does not presently have a Nominating Committee because the Board does not feel a Nominating Committee is necessary due to the Board's nomination procedures in effect as described below.

Director Nominations

Although Telkonet does not maintain a standing Nominating Committee, nominees for election as directors are considered and nominated by a majority of Telkonet's independent directors in accordance with the AMEX listing standards. "Independence" for these purposes is determined in accordance with Section 121(A) of the AMEX Rules and Rule 10A-3 under the Securities Exchange Act of 1934. Since Telkonet does not maintain a standing Nominating Committee, it has not adopted a formal Nominating Committee charter.

When considering potential candidates for election to Telkonet's Board of Directors, the independent directors evaluate various criteria, including, but not limited to, each candidate's business and professional skills, experience serving as management or on the board of directors of companies such as Telkonet, financial literacy and personal integrity in judgment. Candidates for vacant board seats will be considered if they are able to read and understand fundamental financial statements; have no identified conflicts of interest; have not been convicted in a criminal proceeding other than traffic violations during the five years before the date of selection; and are willing to comply with Telkonet's Code of Ethics. One or more directors must have requisite financial expertise to qualify as an "audit committee financial expert" as defined by Item 401 of Regulation S-B promulgated under the Securities Exchange Act of 1934. The independent directors reserve the right to modify these minimum qualifications from time to time. Exceptional candidates who do not meet all of these criteria may still be considered.

The independent directors review the qualifications and backgrounds of the directors, as well as the overall composition of the Board from time to time. In the case of any candidate for a vacant Board seat, the independent directors will consider whether such candidate meets the applicable independence standards and the level of the candidate's financial expertise. Any new candidates will be interviewed by the independent directors, and the full Board will approve the final nominations. The Chairman of the Board, acting on behalf of the full Board, will extend the formal invitation to become a nominee of the Board of Directors.

Stockholders may nominate director candidates for consideration by the Board of Directors by writing to the Chairman and providing to the Chairman the candidate's name, biographical data and qualifications, including five-year employment history with employer names and a description of the employer's business; whether such individual can read and understand fundamental financial statements; other board memberships (if any); and such other information as is reasonably available and sufficient to enable the Board to evaluate the minimum qualifications described above. The submission must be accompanied by the written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. If a stockholder nominee is eligible, and if the nomination is proper, the independent directors then will deliberate and make a decision as to whether the candidate will be submitted to Telkonet's stockholders for a vote. The Board will not change the manner in which it evaluates candidates, including the applicable minimum criteria set forth above, based on whether the candidate was recommended by a stockholder.

Stockholders can communicate directly with the Board, with any Committee of the Board, or specified directors by writing to E. Barry Smith, Telkonet's Chief Financial Officer, or by calling Mr. Smith at (240) 912-1800. All communications will be reviewed by management and then forwarded to the appropriate director, directors, committee or to the full Board.

Audit Committee

The Audit Committee is currently comprised of Messrs. Lynch and Peeler and Dr. Hall. Telkonet's Board of Directors has determined that Dr. Hall and each of Messrs. Lynch and Peeler is an "audit committee financial expert" as defined by Item 401 of Regulation S-B promulgated under the Securities Exchange Act of 1934. The Board of Directors also has determined that Dr. Hall and each of Messrs. Lynch and Peeler are "independent" as such term is defined in Section 121(A) of the AMEX Rules and Rule 10A-3 promulgated under the Securities Exchange Act of 1934.

The Audit Committee recommends annually to the Board of Directors the selection of independent auditors for each fiscal year, confirms and assures their independence and approves the fees and other compensation to be paid to the auditors. The Audit Committee recommends to the Board the advisability of having the independent auditors make specified studies and reports as to auditing matters, accounting procedures, tax or other matters. The Audit Committee also reviews, prior to its filing with the SEC, Telkonet's Form 10-KSB and annual report to stockholders. The Audit Committee provides an open avenue of communication among the independent auditors, management and the Board of Directors and will review any significant disagreement among management and the independent auditors in connection with the preparation of any of Telkonet's financial statements. The Audit Committee reviews, with Telkonet's legal counsel, legal and regulatory matters that may have a significant impact on Telkonet's financial statements. The Audit Committee held three meetings in 2004 and all members of the Audit Committee were in attendance at each meeting.

The Board of Directors has adopted an Audit Committee Charter, which was ratified by the stockholders at the 2004 Annual Meeting of Stockholders. A copy of the Audit Committee charter was filed as Appendix A to Telkonet's proxy statement for the 2004 Annual Meeting of Stockholders.

Directors' Compensation

Telkonet reimburses non-management directors for costs and expenses in connection with their attendance and participation at Board of Directors meetings and for other travel expenses incurred on Telkonet's behalf. Telkonet compensates each non-management director (excluding Mr. Musser): \$4,000 per month, 10,000 vested stock options per quarter and \$1,000 for each committee meeting of the Board of Directors such director attends, except that Mr. Musser, as Chairman of the Board of Directors, is compensated \$8,333 per month (consisting of monthly payments in the amount of \$4,000, which payments are consistent with the monthly payments made to the other non-management directors, and \$4,333.33 per month, which payments are in lieu of the 10,000 vested stock options per quarter and \$1,000 for each committee meeting that the other non-management directors receive). Payments to Mr. Musser for Board services are made to The Musser Group pursuant to a consulting agreement described below under the heading "Certain Relationships and Related Transactions."

ITEM 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

Russell, Bedford, Stefanou and Mirchandani, LLP served as Telkonet's independent public accountants in 2004 and is expected to be retained to do so in 2005. The Board of Directors has directed that management submit the selection of Russell, Bedford, Stefanou and Mirchandani, LLP for ratification by the stockholders at the annual meeting. A representative of Russell, Bedford, Stefanou and Mirchandani, LLP is expected to be present at the annual meeting and will have an opportunity to make a statement, should the representative desire to do so, and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Russell, Bedford, Stefanou and Mirchandani, LLP as Telkonet's independent public accountants is not required. However, the Board of Directors is submitting the selection of Russell, Bedford, Stefanou and Mirchandani, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether to retain the firm. In such event, the Audit Committee may retain Russell, Bedford, Stefanou and Mirchandani, LLP, notwithstanding the fact that the stockholders did not ratify the selection, or select another accounting firm without re-submitting the matter to the stockholders. Even if the selection is ratified, the Audit Committee reserves the right in its discretion to select a different accounting firm at any time during the year if it determines that such a change would be in the best interests of Telkonet and its stockholders.

The affirmative vote of a majority of the shares of Telkonet's common stock represented at the annual meeting, either in person or by proxy, is required to ratify the appointment of Telkonet's independent public accountants.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS
VOTE **FOR** THIS PROPOSAL.

OTHER MATTERS

The Board of Directors is not aware of any other matter that may be presented for action at the annual meeting. If any other matter comes before the annual meeting, the persons named in the enclosed proxy will vote the proxy with respect thereto in accordance with their best judgment, pursuant to the discretionary authority granted by the proxy.

Compensation Plans

Except for the Telkonet, Inc. Amended and Restated Stock Incentive Plan ("Stock Incentive Plan"), Telkonet does not maintain or administer any compensation plans for the benefit of its officers, directors or employees. Telkonet maintains and administers the Stock Incentive Plan to advance the interests of Telkonet by encouraging and enabling acquisition of a financial interest in Telkonet by its officers, directors, consultants and key personnel. The Stock Incentive Plan is intended to aid Telkonet in attracting and retaining key employees, to stimulate the efforts of such personnel and to strengthen their desire to remain with Telkonet. The Stock Incentive Plan was adopted by the Board of Directors on April 24, 2002 and approved by Telkonet's stockholders in July 2002 at the annual meeting of stockholders. The Stock Incentive Plan was amended by the Board of Directors on June 23, 2003 to increase the number of shares of Telkonet common stock subject to the Stock Incentive Plan from 7,000,000 to 15,000,000 shares. The Stock Incentive Plan may be administered by the Board of Directors or a committee designated by the Board of Directors which, if designated, would have full power and authority to determine when and to whom awards will be granted and the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the Stock Incentive Plan.

E. Barry Smith, Chief Financial Officer, is employed pursuant to an employment agreement for a one-year term, which is renewable annually, that commenced February 17, 2003 and provides for an annual salary of \$130,000 and bonuses and benefits based upon Telkonet's internal policies. In addition, under the Stock Incentive Plan, stock options are periodically granted to employees at the discretion of the Board of Directors. Executives of Telkonet are eligible to receive stock option grants based upon individual performance and the performance of Telkonet as a whole.

Performance Graph

Set forth below is a line graph comparing the cumulative total return on Telkonet's Common Stock against the cumulative total return of the Market Index for the American Stock Exchange (U.S.) ("AMEX") and for a peer group "Communications Services, NEC" for the period beginning August 15, 2002 and each fiscal year ending December 31 thereafter through the fiscal year ended December 31, 2004. Because Telkonet's common stock was not widely traded prior to August 15, 2002, the graph does not show the total return on Telkonet's common stock prior to August 15, 2002. The total returns assume \$100 invested on August 15, 2002 with reinvestment of dividends.

"Communications Services, NEC" is a custom peer group selected by Telkonet from certain companies, in the same Standard Industrial Classification Code category, "Communication Services, Not Otherwise Classified" as Telkonet. The companies comprising this peer group are: ACT Teleconferencing, Inc., Advance Nanotech, Inc., American Tower Corp, ARC Wireless Solutions, Asia Satellite Telecomm, Brasil Telecom SA, Champion Cmmnctn Service, Crown Castle Intl. Compensation Committee Interlocks and Insider Participation

During the fiscal year ended December 31, 2004, Telkonet did not have a Compensation Committee. Messrs. Lynch, and Peeler and Dr. Hall, all of the independent members of Telkonet's Board of Directors, fulfilled the functions of a Compensation Committee. None of these individuals was, or has been, an officer or employee of Telkonet or any of its subsidiaries, nor does any of these individuals have a relationship that would constitute an interlocking relationship with executive officers or directors of Telkonet or another entity. The Board of Directors nominated and approved a Compensation Committee which consisted of Messrs. Musser and Lynch and Dr. Hall in September 2005.

Report of the Compensation Committee

Notwithstanding anything to the contrary set forth in any of Telkonet's previous filings under the Securities Act of 1933 or the Exchange Act that might incorporate future filings or this proxy statement, the following report shall not be deemed to be incorporated by reference into any such filings. In addition, the following report shall not be deemed to be "soliciting material" or "filed" with the SEC.

The base salary, bonus, benefits and other compensation payable to Telkonet's executive officers for the year ended December 31, 2004 were fixed under written employment agreements (except for Mr. Landry, who does not have an employment agreement) described above under the heading Employment Contracts and Termination of Employment Arrangements.

Prior to establishing Mr. Pickett's compensation pursuant to his employment agreement (as well as the compensation of the other executive officers), the Board of Directors reviewed compensation recommendations prepared by Telkonet's human resources director, which recommendations provide information regarding compensation at the tenth to fiftieth percentiles in peer companies. The Board of Directors believes that Mr. Pickett's executive compensation is commensurate with his peers in comparable companies. In 2004, the Telkonet Board of Directors determined to increase Mr. Pickett's compensation from approximately \$92,000 to \$101,000 to give effect to a one-time adjustment for company-paid medical benefits in accordance with Mr. Pickett's employment agreement. Thereafter, all employees, including Mr. Pickett, are required to pay 25% of their respective medical premiums as part of a cost containment initiative.

Messrs. Lynch and Peeler and Dr. Hall have the power to administer the Amended and Restated Stock Incentive Plan, which stock options may be granted to officers, directors, employees, advisors and consultants who render services to Telkonet. For the fiscal year ended December 31, 2004, no awards were made to the executive officers pursuant to the Amended and Restated Stock Incentive Plan, except that Mr. Pickett, pursuant to the terms of his employment agreement, was awarded 3,000 restricted shares of Telkonet's common stock per month which vest immediately, and Mr. Landry received an stock option award to purchase 250,000 shares of Telkonet's common stock, based on his years of contribution to the development of Telkonet's technology and his promotion to the position of Telkonet's Chief Technology Officer.

REPORT OF THE AUDIT COMMITTEE

Notwithstanding anything to the contrary set forth in any of Telkonet's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings or this proxy statement, the following report shall not be deemed to be incorporated by reference into any such filings. In addition, the following report shall not be deemed to be "soliciting material" or "filed" with the SEC.

The Audit Committee for the year ended December 31, 2004, whose members are identified below, has reviewed and discussed the audited financial statements as of and for the year ended December 31, 2004 with Telkonet's management and has discussed the matters required to be discussed by SAS 61 with Telkonet's independent auditors. The Audit Committee has also received the written disclosures and the letter from Telkonet's independent auditors required by Independent Standards Board Standard No. 1 and has discussed with the independent auditors the independent auditors' independence. Based upon its review of the foregoing materials and its discussions with Telkonet's management and independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Telkonet's Annual Report on Form 10-KSB for the year ended December 31, 2004. The Audit Committee also considered whether the provision of other non-audit services by the independent auditor to Telkonet is compatible with maintaining the independence of the independent auditor and concluded that the independence of the independent auditor is not compromised by the provision of such services.

The Audit Committee has a written charter which was adopted by the Board of Directors on October 3, 2003, a copy of which was filed as Appendix A to Telkonet's proxy statement for the 2004 Annual Meeting of Stockholders. The Audit Committee has established procedures for the receipt, retention and treatment of any complaints received by Telkonet regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by Telkonet's employees of any concerns regarding questionable accounting or auditing matters.

By the Audit Committee.
