(1) Constitutes the maximum number of shares of common stock subject to purchase upon cashless exercise of the Series A Convertible Debenture & non-detachable common stock purchase warrant.

In connection with the purchase of Series A Convertible Debenture the issuer also issued a non-detachable common stock purchase warrant entitling the holder to acquire 65,000 shares (2) of the Company common stock at \$1.00 per share. Since the common stock purchase warrant is non-detachable the price of this derivative security has been included in the purchase price for the Series A Convertible Debenture.
